RE: HB 1380 – Consumer Loan Products
Request for Support

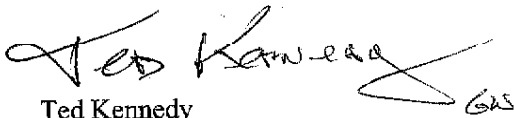

Dear Governor Perry:

On behalf of the Texas Financial Services Association, an association (since 1983) of regional and national corporations that provide a broad range of financial services to the citizens of Texas, including consumer loans, please sign HB 1380.

This measure allows consumers a new option for a number of valuable products and services (Section 1), contains significant consumer protections (Sections 2-4), and had bipartisan support in the legislature.

In summary, please sign HB 1380. Please call me with questions at 713-831-4987. You may wish to also contact Deborah Goodell Polan at 512-476-7137.

Sincerely,

Ted Kennedy
President
